

DARWIN RISSE

darwinrisser.dev | github.com/darwinrisser | linkedin.com/in/darwinrisser

SKILLS

Javascript, HTML5, CSS3, React, Redux, React-Router, Node.js, Express, MongoDB, Mongoose, REST, npm, Git, Github, Webpack, Heroku, Bootstrap, Material-UI, ECMAScript, OOP, Open Source, Testing, Agile, Adobe Photoshop, After Effects

EDUCATION

Austin Coding Academy – *Full-Stack Javascript*

2018 – 2019

Texas Tech University – *Music Education*

2008 – 2013

PROJECTS

teacherr – *darwinrisser.dev/teacherr*

A networking app for private lesson teachers to make professional contacts with other teachers. I designed the app from start to finish.

- Users can see private music teachers in their area
- Users can search the database for teachers who play specific instruments
- (React, Express, Node, Mongoose, MongoDB, Material-UI)

Developer Portfolio – *darwinrisser.dev*

My personal portfolio displaying all of my projects.

- Styled without the use of a CSS framework
- Optimized for display on desktops, tablets, and phone screens using a combination of CSS Grid, Flexbox, and Media Queries
- (React, Javascript, HTML5, CSS3)

Game of Thrones Quiz – *darwinrisser.dev/got-react*

Quiz game based on the users knowledge of Game of Thrones.

- This game responds to user input and renders content dynamically as users progress through the quiz.
- Four possible outcomes can be achieved depending on the answers selected by the user
- (React, Javascript, HTML, CSS3)

EXPERIENCE

Freelance Musician and Private Instructor – *Clarinet Teacher*

2015 – PRESENT

- Communicate weekly with parents (clients) regarding student progress and lesson scheduling
- Provide a unique instructional setting to students with various ability levels and needs

qKids – *Teacher*

2018 – PRESENT

- Teach English lessons remotely to students in China
- Communicate effectively with my employers despite language barriers and time differences

Microsoft – *Product Advisor*

2015 – 2016

- Assisted customers with the purchase and use of Microsoft products and services
- Taught classes to people of various age groups, from children to retired adults
- Class content covered various topics including basic coding

Del Valle Middle School – *Band Director*

2013 – 2015

- Oversaw and led the band program at Del Valle Middle School
- Taught students with no previous musical experience how to play a wide range of musical instruments
- Communicated with parents and administrators about student needs and concerns
