DARWIN RISSE

darwinrisser.dev | github.com/darwinrisser | linkedin.com/in/darwinrisser

Full-Stack developer with graphic design skills and a professional background in education. Looking for an opportunity for a highly motivated developer to grow.

SKILLS

Javascript, HTML5, CSS3, React, Redux, React-Router, Node.js, Express, MongoDB, Mongoose, npm, Git, Github, Webpack, Heroku, Bootstrap, Material-UI, Adobe Photoshop, Illustrator, After Effects

EDUCATION

Austin Coding Academy – *Full-Stack Javascript*

2018 – 2019

Texas Tech University – *Music Education*

2008 – 2013

PROJECTS

Developer Portfolio – *darwinrisser.dev*

- Created with React, Javascript, HTML5, CSS3
- Styled without the use of a CSS framework
- Optimized for display on desktops, tablets, and phone screens using a combination of CSS Grid, Flexbox, and Media Queries

Game of Thrones React – *darwinrisser.dev/got-react*

- Created with React, Javascript, HTML, CSS3
- This game responds to user input and renders content dynamically as users progress through the quiz.
- Four possible outcomes can be achieved depending on the answers selected by the user

E-Commerce Store – *github.com/darwinrisser/aca-store-react-2*

- Created with React, Javascript, HTML5, CSS3
- Used Fetch to access product data from an API
- Product data used to populate the product list and product detail
- Users can add items to a shopping cart using state

EXPERIENCE

Freelance Musician and Private Instructor – *Clarinet Teacher*

2015 – PRESENT

- I communicate weekly with parents (clients) regarding student progress and lesson scheduling
- I provide a unique instructional setting to students with various ability levels and needs

qKids – *Teacher*

2018 – PRESENT

- I teach English lessons remotely to students in China
- I communicate effectively with my employers despite language barriers and time differences

Microsoft – *Product Advisor*

2015 – 2016

- I assisted customers with the purchase and use of Microsoft products and services
- I taught classes to people of various age groups, from children to retired adults
- Class content covered various topics including basic coding

Del Valle Middle School – *Band Director*

2013 – 2015

- I oversaw and led the band program at Del Valle Middle School
- Taught students with no previous musical experience how to play a wide range of musical instruments
- Communicated with parents and administrators about student needs and concerns
