Summary

Front-end web developer with graphic design skills and a professional background in education. Looking for opportunities with room for a highly motivated developer to grow.

Skills

Front-End : React, Redux, Javascript, HTML5, CSS3

Back-End : Node, Express, MongoDB, Mongoose

Tools : Git, npm, Webpack, VSCode

Other : Adobe Photoshop, Illustrator, After Effects

Projects

Developer Portfolio - drisser.github.io/gh-pages/portfolio

- Created a developer Portfolio using React, Javascript, HTML5, and CSS3.
- Produced an original responsive design using CSS Grid and Flexbox. Tested across different mobile devices and screen sizes for a seamless user experience.

GoT Quiz - drisser.github.io/got-react

- Wrote a quiz style Javascript game that reacts to user input.
- Technologies used include React, Javascript, HTML5, and CSS3.
- Future updates will include development of a back end API for question data.

E-Commerce Store - github.com/drisser/aca-store-react-2

- A basic e-commerce store built with React.
- Used a fetch call to populate the store product list with data from an API.

Express Dashboard Server - github.com/drisser/checkpoint-backend-1

- Created a backend server for a hypothetical company dashboard.
- Technologies used include Node, Express, MongoDB, and Mongoose.

Experience

Self Employed - Freelance Musician and Teacher 2015 - *present*

- I communicate weekly with parents (clients) regarding student progress and lesson scheduling.
- I provide a unique instructional setting to students with various ability levels and needs.

qKids - Teacher 2018 - *present*

- I teach English lessons remotely to students in China.
- I communicate with my employers efficiently despite time difference and language barriers.

Microsoft Store - Product Advisor 2015 - 2016

- I assisted customers with the purchase and use of Microsoft products and services.

Del Valle Middle School - Band Director 2013 - 2015

- I oversaw and directed the band program at Del Valle Middle School.

Education

Austin Coding Academy 2018-2019

Full-Stack Javascript Program

Texas Tech University 2008 - 2013

Bachelor of Music, Music Education
